

## How to reach us

### Train travel and public transport

At Bochum's main train station, ICE, IC, EC, regional trains and city trains arrive and depart in quick succession. You can reach the Ruhr-University, which has its own station, easily by catching the underground (U-Bahn) train U35 ( CampusLine). On workdays, the U35 (going to Bochum Hustadt) departs in five-minute intervals, and it takes less than 10 minutes to go from the main train station to the university station.

### How to reach us by car

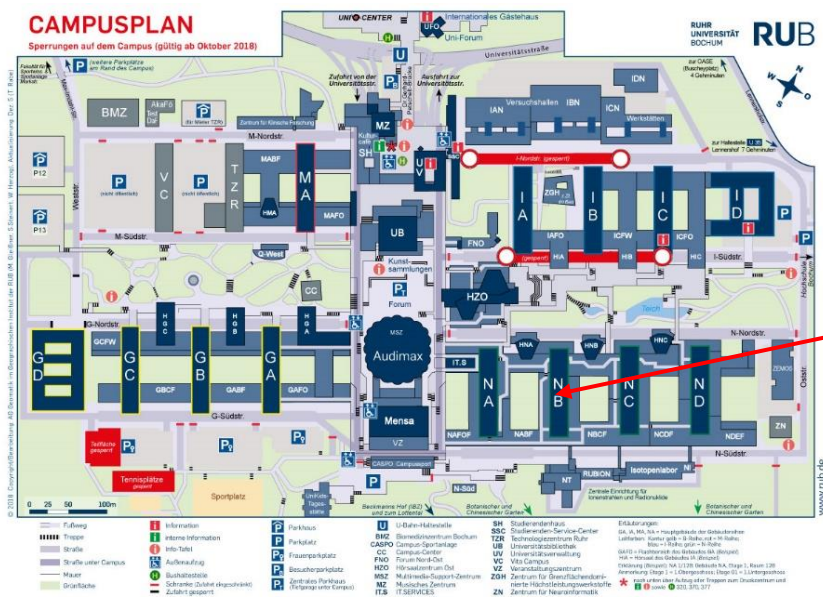

Motorists can reach the Ruhr-University easily via Germany's dense motorway network. The fastest route is that via the motorway junction Bochum/Witten, where the motorways A43 und A44 meet. Simply take the exit for Bochum-Querenburg (number 19) and follow the signs for „Ruhr-Universität“.

### Adress for your navigation

Bochum – Universitätsstraße 150  
 Alternatively, you can also enter the names of the streets: Nordstraße or N-Südstraße.
